Markets	Football player props + ATP tennis

Core positioning

Il Margine is a football player props and ATP tennis value service built around public tracking, model-led pricing, and stake-weighted records. No parlays, no fake screenshots, no deleted losses.

Launch product

- Founding monthly: \$19/month.
- Weekly pass: \$9/week.
- Free tier: 1 public pick per week plus weekly record recap.
- Affiliate/referral commission target: 30%.

Proof system

- Public site ledger with active and settled selections.
- Pre-result timestamps and post-match settlement audit trail.
- Wins and losses both remain visible; history is not edited.
- Returns calculator lets users test the same unit logic against their own stake size.

Platform rollout

Launch on Whop first, apply to DubClub and Winible in parallel, then add SharpDuel and CapperTek as lower-effort marketplace/proof listings.
